

## XGen - 7 Watt GU10 LED Spotlight

NEW to the Lightwell range the new retro fit XGEN 7 watt LED series uses the latest technology to produce a light output of up to 565 Lumens. This lamp utilises a specialised anti-glare lens to deliver an even coverage of light which is spread out over a 60 degree beam angle. With high efficiency ratings the XGen allows for direct halogen lamp replacement at a fraction of the energy consumption.

With a choice of dimmable or non-dimmable, this GU10 is also available in 3 different colour temperatures allowing you to achieve your desired lighting effect with ease. Now in Warm White, Cool White and Natural White.

### Application

Kitchens, Bathrooms, Studies, Hallways, Living Areas, Offices, Retail, Task Lighting, Store Displays.
