

# 200W LINEAR HIGHBAY

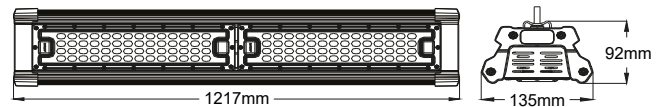

HBL-200W

The Lightwell 200 Watt LED Linear High Bay uses powerful Philips Lumileds for achieving the highest efficiency in lighting. With a flicker free Dimmable Mean Well Driver & an IP65 aluminium body with high thermal efficiency, these units guarantee durability and a long life span, saving on repair and replacements. Our 200W LED linear high bays emit 26,000 lumens and operate at 130lm/w. They are designed to replace 550W Metal Halide versions, whilst reducing energy costs by over 60%.

- ✓ IP65 rated for indoor & outdoor applications
- ✓ Mean Well driver & Philips Lumileds chips
- ✓ High thermal efficient aluminium heatsink
- ✓ Energy savings & reduced maintenance over HID high bays
- ✓ 1-10V Dimmable
- ✓ Environmentally friendly: no mercury or hazardous substances
